

## Home Outreach Service

### Are you eligible for home services from your library?

- If you are unable to get to the library safely or regularly due to age, illness, injury, hospital recovery, or similar situations, you may be eligible for outreach services through the Wood County District Public Library.
- Do you live within our legal service district? Our service district does not include all of Wood County, but if you are unsure about your location, please contact the Bookmobile & Outreach office at **419-352-5104, ext. 221** or by email at **Bookmobile@wcdpl.org** for help determining which library can serve you best. You can also download a service district map at <https://wcdpl.org/bkmb1>.

### What can the library do for you?

- We can sign you up for a library card if you do not have one.
- We can deliver anything that you would normally check out at the library: books, movies, music, magazines from previous months, etc.
- We can bring specific requests or recommendations based on your interests.
- We can assist you with using the library's eMedia and digital resources.
- Additional questions? Ask when WCDPL Outreach staff contacts you (form on the back).

### Who visits, and how often?

- Library outreach staff can visit you directly to deliver and pick up library items on a 2- or 4-week rotation, or less frequently as needed.
- *Meals on Wheels* volunteers can deliver and return library materials as part of an ongoing partnership between WCDPL and the Wood County Committee on Aging.

### START RECEIVING SERVICE!

- Please fill out the Home Visit Request Form on the other side. If you do not have a library card, we will help you get a card.
