

# Ellison Templates

Wood County District Public Library — Children's Place  
419-352-8253 or woodkids@wcdpl.org

\* Ellison machines and a paper cutter are located in the Children's Place past the non-fiction section.

\* You are to provide your own paper or other material to be cut.

\* Equipment is free to use, though a donation box is available in the area to help us cover costs.

\* Sometimes, especially seasonally, Ellison dies are being borrowed by another nearby library. You may always call ahead to check if what you are looking for is currently in or, if not, when it is expected to be back.
